THE WEEK,

EAST.

During the first seven months of the present year 78,853 immigrants were entered at New York, a falling off of 105,559 compared with the corresponding period of 1873. The main reservoir which supplies Treuton, N. J. with water, gave way last week and sent about thirty million gallons of water over the city and down Pennington avenue with a mighty rush, filling the cellars of most

of the houses for a quarter of a mile. The chief of police of Philadelphia has issued a proclamation stating that the police forego any claim to the whole or part of the twenty thousand dollars reward, offered by the Mayor for information that will lead to the arrest and conviction of the abductors of Charley Ross. The chief invites communications, otherwise from persons who may have the needed information.
